## PUBLIC LIBRARY

### TRUSTEES' REPORT

The report of the Library Trustees for the year 1916 is favorable in that some progress has been made.

The library shelves have received more substantial support.

We have now a new catalogue of the books from the year 1908 up to 1916.

We hope the list of new books will be printed annually in the Town Report that we may have a continuous supplementary catalogue.

It has been thought wise to reduce the fine to five cents per week.

The Librarian, with one of the Trustees, attended an inspiring meeting of the Librarians and Trustees of the neighboring towns at Haverhill, Mass.

We are indebted to Mr. E. M. Marsh for a large portrait of the late Hon. Moody Hobbs.

There have been gifts of books, pictures, papers and magazines.

These expressions of interest are encouraging and thankfully received.

Our Library building is in pressing need of repairs.

Buildings will depreciate in time by use and need constant care to keep them in good condition. We feel that the people of the town will take pride in appropriating a generous sum for this purpose in addition to the amount voted for the purchase of books.

The salary of the librarian has been increased ten dollars.

The town is very fortunate in having the faithful and efficient services of Miss Hobbs, as Librarian.

This year has been a year, for her, of increased labor. It was no light task to write and list the books for the printing of the catalogue.

The books on the library shelves have all been rearranged by her, to give additional space. There will have to be provided in some way some more room for books.

The library is of inestimable value to the people of the town free to all alike. It is of great value to the school children for reference.

May the biographies of the good men and women who have lived noble lives be to them an inspiration.

As they become familiar with the history of our own and other countries may they love our country more and ever be loyal to it.

May they enjoy traveling, **at home**, by means of the interesting books of travel to be found in the library. May the library be more useful, more helpful and more essential to the people of the town, is the wish of the Trustees.

Respectfully submitted,

S. H. LYON,  
HAROLD FROST,  
M. A. CLOYD,

Trustees.
